We have in place a no-nonsense and no excuses policy as we believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children take full advantage of the educational opportunities available to them and to raise standards by promoting regular attendance and punctuality of pupils.

We are committed to providing an education of the highest quality for all our pupils. We believe high attainment depends on good attendance.

We expect all school personnel to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all pupils are eager to learn, feel valued and enjoy coming to school. School personnel have a responsibility for identifying trends in attendance and punctuality.

Sometimes a pupil's absence or lateness may not be their fault and in these circumstances it is our policy to be supportive of the child and not to make them feel guilty or inadequate.

We understand that there is a major school crisis regarding pupils suffering from school-anxiety problems leading to persistent and debilitating absence from school. These pupils are usually labelled as truants as there is no official data on absence due to school anxiety.

We are aware that children with school anxiety may experience physical symptoms such as:

- stomach pain;
- nausea and headaches before school or have immobilising anxiety;
- panic attacks or something that seems like a tantrum.

In some cases children may even threaten to harm themselves if parents make them go to school.

We acknowledge that school anxiety and the mental health of children has been a major issue for many years but since the pandemic this has become even more serious as the numbers of children suffering school-anxiety and mental health problems has risen considerably.

We believe that we must support and work with parents of children who are suffering from school-anxiety by:

- acknowledging that school-anxiety is a problem and needs to be addressed;
- not adopting a strict approach to attendance;
- adopting a flexible and child-led approach;
- agreeing with parents a plan for attendance;

- organising a temporary part-time timetable;
- the headteacher using discretion to authorise absence in exceptional circumstances.

We understand that many parents are being prosecuted and fined under legislation put in place to stop parents taking children on holiday in term time. But these punitive actions do nothing to resolve the underlying causes of school anxiety and the absence from school.

Also, we give allowances for religious beliefs and individual family circumstances.

We believe it is essential to regularly remind parents of the importance of good attendance and its links to pupil attainment. The Education Act 1996 clearly states that the prime responsibility of parents/carers is to ensure that their children attend school regularly.

We have a duty to monitor pupils' attendance through daily registration and will address all poor or irregular attendance by contacting and discussing the situation with parents.

We will inform the local authority of pupils who are regularly absent from school or have missed ten days or more without permission. The local authority must have in place 'robust procedures and policies' to enable them to meet their duty in relation to CME.

We ensure school personnel, pupils and parents/guardians understand that pupil absence from school is a potential safeguarding risk.

Therefore, we have in place a first day contact supervisor who is responsible for monitoring pupil attendance and will make contact with parents if the school has not been informed of their child's absence.

We have a duty to establish the whereabouts of all absent pupils and will send a member of the school personnel to a child's home if contact cannot be made by phone with the child's parents/carers. We will inform the police if there is no answer when school personnel visit the family home.

For all pupils we have in place at least three emergency contact phone numbers for different adults associated with each pupil.

We believe truancy is a matter that we treat very seriously as we feel pupils are not only losing valuable learning time but they are putting themselves at serious risk as the school and their parents are not aware of their whereabouts.

We have a duty to ensure that all parents are aware of our 'legal powers to use parenting contracts, parenting orders or penalty notices to address poor attendance and behaviour in school.'

Parents have a duty to ensure their children are well behaved and attend school regularly as 'good behaviour and attendance are essential to children's educational prospects'.

We are aware that 'parenting contracts, orders and penalty notices for irregular attendance apply only to pupils of compulsory school age who are registered at a school' but they can also be applied for misbehaviour by pupils outside compulsory school age such as sixth form pupils or pupils at a maintained nursery. While 'penalty notices for parents of pupils found in a public place during school hours after being excluded also apply only to children of compulsory school age who are registered at a school.'

We believe it is essential to have a strong working relationship with the Education Welfare Service which provides support for pupils and their families in order promote good pupil attendance and to reduce truancy.

We are aware that leave of absence can only be granted to a pupil only in exceptional circumstances and in authorising a holiday in term time we will take into account the child's attendance record, the child's age, the reason for the trip, the time in the academic year and the employment difficulties that parents face by taking holidays in school holiday time.

We will exercise a consistent approach and ensure equity for all pupils.

We are aware that the Brexit transition period ended on 31 December 2020 and, therefore, UK organisations that process personal data must now comply with the:

- DPA (Data Protection Act) 2018 and UK GDPR (General Data Protection Regulation) if they process only domestic personal data.
- DPA 2018 and UK GDPR, and the EU GDPR if they process domestic personal data and offer goods and services to, or monitor the behaviour of, EU residents.

We aim to be judged at least good in all school inspections by ensuring standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend. We believe we will achieve this by having in place a home-school agreement that all parents have signed up to and by improving pupil attendance and truancy.

We wish to work closely with the school council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe that all children have the right to be safe in our society. We recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents. We teach all our children about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all children to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

Race Disparity Audit

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

Monitoring the Implementation and Effectiveness of the Policy

The practical application of this policy will be reviewed annually or when the need arises by the coordinator, the Headteacher and the nominated governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the governing body for further discussion and endorsement.

January 2023

We are aware that:

- hospital admissions from flu in England are at the highest level since the winter of 2017-2018;
- absence rates across schools in England rose sharply at the start of December as more pupils missed class due to illness;
- flu was most prevalent among children aged between five and 14 in the week commencing 5 December 2022;
- schools have managed this situation as best they can;
- the rise in pupil absence rates is a concern from both a health and education point of view;
- there appears to be an unusually high level of illness around at the moment even for this time of year;
- the UK Health Security Agency (UKHSA):
 - ☐ urges parents to keep their children off school if they have a fever amid high levels of flu and Covid-19 cases;
 - ☐ states that currently, flu and Covid cases are circulating at high levels and are likely to increase in coming weeks;
 - ☐ advises the importance of washing hands and catching coughs and sneezes in tissues;
 - ☐ advises adults should also stay at home when unwell and wear a face covering if they go out;
 - ☐ the uptake of the flu vaccine remains low among nursery and primary children.

We have a duty to:

- remind parents that children with a fever should remain home until they feel better and the fever has gone;
- ensure school policies reflect this.

September 2022

We are aware that the DfE is launching a package of new and innovative measures to ensure that more children are in school every day, including:

- targeted support for individuals for individuals who need it;
- a three-year 1-2-1 attendance mentoring pilot beginning in the autumn term and aimed at tackling the factors behind non-attendance such as bullying or mental issues;
- access to a powerful new attendance data visualization tool that will:
 - ☐ help spot and respond to issues;
 - ☐ support the launch of the new, interactive national attendance dashboard alongside the publication of the first full fortnightly attendance data of the term and provide ongoing transparency which will vastly improve potential for insight and analysis of daily, weekly and termly trends.

We look forward to these new and innovative measures as new evidence shows that students with the highest attendance throughout their time in school gain the best GCSE and A Level results.
