HARVEST FESTIVAL

Sedgeberrow School are looking forward to welcoming parents to our "Harvest festival which is taking place on Wednesday 18th October at 2pm in our school hall.

We would be very grateful to receive donations of fresh or tinned produce on the day. Children can bring their donations into school hall as they arrive in the morning.

The fresh produce will be available to buy as part of the festival in the afternoon.

Any left over produce and tinned goods will be donated to 'caring hands' which is our local foodbank. The money raised will be sent to our Harvest charity
