

# Sedgeberrow Pre-school Newsletter 2024

**SPRING  
TERM 1  
NEWSLETTER 1**

**The children have settled in well after the Christmas break and it has been a busy term already.**

**We have covered various exciting topics. The children enjoyed our winter topic - making bird feeders and binoculars to do some bird watching. We now have a new friend in the forest area (a lovely robin who comes to visit us in the trees!) We then went onto look at the weather and different weather forces and did various fun activities about the weather.**

**This week we have been celebrating the Chinese new year, looking at the Chinese zodiac, making lanterns and talking about what the children's goals are to put on the lanterns. We have also made instruments and dragon fire paintings.**

**Last week we introduced 'My Happy Minds'. We always love to hear about what the children have been up to at home and what makes them happy. Please share any observations on Evidence Me, or bring in their favorite books to share with us. We also have proud clouds which are kept in our foyer area for you to take home to record any proud moments at home.**

**We would like to hear of any feedback from parents and carers, and have introduced a suggestions box which is kept on the foyer table. We have attached a survey for you to post (anonymously if you wish) and would welcome any other suggestions in our box going forward.**

**If anyone has any spare clothes which your child may have outgrown, we would be very happy to take them off your hands! We appreciate any spare clothes in case of any accidents etc.**

**Please could we remind parents to bring in named water bottles every day, change of clothes in a named bag, and named wellingtons which can be kept in our wellie box at pre-school.**

**We would like to take this opportunity to thank parents for all your support as we continue to grow our pre-school in to a fun, happy and vibrant place for your children to learn and play**
